

## Title: Equity Research Analyst

---

### **Athens and Cyprus based Boutique Investment Bank seeks sell-side analyst to cover Greek / Cypriot / SEE listed entities.**

Our firm is an independent privately-owned investment banking boutique that provides financial advisory services, equity trading and research to corporate and institutional clients globally. We are looking to add an equity research analyst in our team.

#### Role objectives

- Conduct analysis of the companies / banks located in Greece, Cyprus and in south eastern Europe and publish relevant research
- Build and maintain financial models
- Liaise with corporate management
- Produce presentations / trading ideas to clients
- Participate in marketing efforts in Europe and in the US

#### Requirements

- 2-4 years experience as a sell-side banking analyst or investment bankers familiar with the sector and interested in equity research or industry insiders
- Excellent academic record; CFA charterholders (or working on the designation) are particularly encouraged to apply
- Excellent writing, financial modeling and presentation skills
- Fluency in English and Greek
