

Title: Investment Banking Analyst

Boutique Investment Bank seeks analyst to assist in coverage of corporate clients and deal execution.

Our firm is an independent privately-owned investment banking boutique with offices in Athens, Nicosia, London and New York that provides financial advisory services to corporate and institutional clients globally. We are looking to add an investment banking analyst to our team in Athens.

Role objectives:

- Conduct analysis of relevant companies
- Conduct market research
- Build and maintain financial models
- Produce presentations and other relevant documentation
- Liaise with company management and project teams
- Participate in deal marketing and execution

Requirements:

- 1-3 years relevant experience in a financial institution or investment bank
- Strong academic record, with finance or economics related degree
- Strong writing, financial modeling and presentation skills
- Fluency in English and Greek
